  - Join us for an information session and Q&A featuring current film students, faculty, and an adviser.
- **Music Info Session**
  - 1 - 2 p.m.
  - Join us for an information session and Q&A featuring current music students and faculty.

**Acting Info Session**
- 1 - 2 p.m.
- Join us for an information session and Q&A featuring current acting students and faculty.

**Theater Design & Production Info Session**
- 1 - 2 p.m.
- Join us for an information session and Q&A featuring current theater design and production students and faculty.

**Rutgers Business School**
- **Overview**
  - 9 - 10 a.m.
  - Join the Dean for an overview of the business program with information about academics, opportunities for personal growth, development of career skills, specialized sequences, and outreach programs.
- **Q&A with First-Year Advisers**
  - 10 - 11 a.m.
  - Meet our freshman academic advising team and hear an overview of our first-year curriculum and web resources.
- **Q&A for Transfer Students**
  - 11 - Noon
  - Find out what you can expect as a Rutgers Business School transfer student. Chat with current transfer students, learn about next steps in the transfer process, and meet the transfer team at our business school.
- **Transferring from Other Rutgers Schools**
  - 11:15 - Noon
  - Thinking about transferring to the Rutgers Business School from another Rutgers school? Learn how to apply and whether or not the business school is a good fit for you. Discussion of other possible majors and degree paths for the business-minded will be included.

**School of Arts and Sciences**
- **Q&A with First-Year Advisers**
  - 11 - Noon or 1 - 2 p.m.
  - Join our advisers to talk about academic advising, new student registration, majors and minors, and programs offered by the School of Arts and Sciences.
STREAMING LIVE

Q&A with Transfer Advisers
11 - Noon or 1 - 2 p.m.
Join our advisers to talk about academic advising, transfer issues, and programs offered by the School of Arts and Sciences.

School of Communication and Information
Info Session
10:30 - 11:30 a.m.
Join us for an introduction to our academic majors and minors, admission criteria, and academic advising and support services. You’ll also hear from advisers and current students who will share their experiences and answer questions.

School of Engineering
Welcome and School Highlights
9 - 9:15 a.m.
Meet our Dean and get excited about what Rutgers Engineering has to offer.

Young Alumni Panel
9:15 - 9:55 a.m.
What was it like transitioning from college to industry? How did Rutgers Engineering prepare you? These are just some of the questions you can ask our recent alumni.

Student Panel - Academic Paths & Student Leadership
10 - 10:40 a.m.
Learn the many ways our students enhance their academic experience at Rutgers, with options to double major or minor, study abroad, and gain leadership experiences through student organizations.

Class Demos (Materials Science or Industrial/Systems)
10:45 - 11:15 a.m.
Participate in an abbreviated intro class and meet faculty from our departments. Each session will share FAQs of their undergraduate major.

Student Networking Session
10:45 - 11:45 a.m. or 1 - 2 p.m.
Hop into our networking room to mingle with current students from each of our majors and engineering organizations. You can also engage in 5-minute engineering challenges every 30 minutes for a chance to win prizes.

Special Cohort Info Session
11:15 - Noon
Join special sessions for transfers, admitted Honors Academy students, and Educational Opportunity Fund (EOF) students. Your respective session will cover program requirements and services.

Student Panel Research & Internships
12:30 - 1:10 p.m.
Meet students from various majors and learn about their undergraduate research experiences and/or internships.

Class Demos (Chemical/Biochemical, Electrical/Computer, or Mechanical)
1:15 - 1:45 p.m.
Participate in an abbreviated intro class and meet faculty from our departments. Each session will share FAQs of their undergraduate major.

Class Demos (Aerospace, Biomedical, or Civil)
1:45 - 2:15 p.m.
Participate in an abbreviated intro class and meet faculty from our departments. Each session will share FAQs of their undergraduate major.

Undergraduate Forum
2 - 3 p.m.
If you’ve submitted questions on our question wall but not yet received an answer or have more questions, join our forum. First-year and transfer deans, along with department directors will be available to answer your questions.

School of Environmental and Biological Sciences
Major Programs of Study
9 - 10 a.m. or 11 - Noon
Join the undergraduate program directors in breakout rooms for 15-minute presentations about their programs. Q&A included.

Chat with Deans and Students
10 - 11 a.m.
Join the Office of Academic Programs deans for a panel to discuss student and academic life at SEBS.

School of Management and Labor Relations
Info Session
11 - Noon
Learn about our majors in labor and employment relations and human resource management. We’ll also discuss career options and paths our alumni have pursued post graduation.

School of Nursing
Info Session
10:30 - 11:30 a.m.
Learn more about our programs and begin your journey with us.

School of Social Work
Info Session
10:30 - 11:30 a.m.
Make a difference, not just a living. The social work major prepares students for work with individuals, families, and communities in areas including education, healthcare, corrections, addiction counseling, and more. Join current social work students and school representatives to learn more about the major and growing career opportunities.

STUDENT EXPERIENCE PROGRAMMING

Campus Life
Finding Your Community, Getting Involved, and Making Connections
2 - 3 p.m.
Join this student panel to make the most of your Rutgers experience. Learn about finding opportunities for involvement and leadership development, making friends, getting connected, and experiencing everything Rutgers has to offer.

Career Exploration and Success
Need-to-Know Items for Future Career Seekers
10:30 - 11:30 a.m.
Learn how the Office of Career Exploration and Success helps students discover their interests, explore careers and majors, develop skills through internships and experiential opportunities, and pursue their post-graduate goals.
Cultural Center

Involvement Panel
12:30 - 1:30 p.m.
The Cultural Center Collaborative promotes interactive learning, dialogue, personal growth, and leadership development, while challenging traditional notions of diversity and inclusion. Join us to learn about our thriving communities and the unique involvement opportunities that Rutgers has to offer.

Douglas Residential College

The Women’s Community
10 - 11 a.m.
Open to residential and commuting students from all majors, Douglass enhances success for women at Rutgers. Douglass is the best of both worlds: an award-winning college for women with a historic mission and a small community within a comprehensive research university.

The BOLD Center at Douglass: Preparing the World’s Next Female Leaders
11 - 11:30 a.m.
The BOLD Center at Douglass prepares students for academic and career success. Through innovative leadership, mentoring, and career and personal development programs, you will propel your future professional success.

Transfer Students & Non-Traditional Women
1 - 1:30 p.m.
Transition to Rutgers with Douglass! If you are a transfer student and/or graduated from high school five or more years ago, find out what support services are available for you through Douglass.

The Arts at Douglass
1:30 - 2 p.m.
The Gender and Arts Program at Douglass encourages students to study fine art, regardless of major. From trips to Broadway plays to student art exhibitions, you’ll have many opportunities to develop your creativity through the Gender and Arts Program.

Global Education at Douglass
2 - 2:30 p.m.
Global Education at Douglass seeks to develop intercultural appreciation, global awareness, and a sense of community among scholars. Through a variety of programs, students have the opportunity to engage in hands-on learning experiences that transcend the classroom and impact communities around the world.

The Douglass Project for Women in STEM
2:30 - 3:30 p.m.
The Douglass Project offers opportunities in undergraduate research in STEM, living-learning communities, leadership opportunities, and additional programs designed to enhance academic, professional, and personal development, many of which offer industry connections and networking opportunities.

Residence Life

Your Guide to Living On Campus
9 - 10 a.m. for international students and their families
1 - 2 p.m. for all students
Join Residence Life for a live presentation about how they support one of the country’s largest student housing operations, with 16,000+ residents who study and live on all five campuses. Residence Life builds community, supports diversity, provides leadership opportunities, responds to individual and community issues, and enables academic success. Q&A included.
