#weRUnited

Over the past 12 months, a new reality has demanded ideas and solutions that no one thought possible, but together we found a path forward: from the rapid transition to online learning and a virtual community, to discovering ways to detect an unknown virus and distributing life-saving vaccines. There’s still more work to do, but—united—we’ve already come so far.

## Virtually Inseparable

Dedicated students and staff used their talents and found ways to keep cherished traditions alive even in a stay-at-home world.

**House Music - Rutgers Concert Series:** Mason Gross School of the Arts students and alumni launched a public concert series streamed on Facebook.

**Virtual Rutgers Day:** This large-scale community event went virtual with science experiments, demonstrations, readings, contests, and more streamed right from home.

**Annual Kirkpatrick Chapel Holiday Concert Reimagined:** Award-winning visual artist Camilla Tassi and Rutgers graduate student Stephanie Tubiolo created 10 individual concert videos that showcase the soaring vocals of the Rutgers University Glee Club and Rutgers Kirkpatrick Choir.
