TRANSFER SCHOLARSHIPS

Rutgers offers scholarships to a select number of admitted transfer students. Transfer student scholarships are competitive awards and based on the academic strength of individual applicants, the overall strength of our applicant pool, and available funding. No separate application is required. We will consider admitted transfer applicants who:

- Apply to Rutgers via the Rutgers University Undergraduate Admissions Application by October 1 for spring admission (Phi Theta Kappa Scholarship only).
- Apply via the Rutgers University Undergraduate Admissions Application or the Coalition for Access, Affordability, and Success Application by February 1 for fall admission.
- Submit all required credentials within two weeks of the application due date.
- Are U.S. citizens or permanent residents at the time of application.

PHI THETA KAPPA SCHOLARSHIP - $8,000 per year
Phi Theta Kappa scholarship recipients are notified by December (for spring enrollment) and April (for fall enrollment). Criteria for consideration are specific so please review them carefully:
- Students who are enrolled full time in a transfer program at a community college at the time of application.
- Students who are a member of their community college’s Phi Theta Kappa Honor Society at the time of application.
- Students who have completed 45 credits at the time of application.
- Students who will be earning an associate’s degree in arts or science by the time of enrollment and have a minimum cumulative grade-point average of 3.8 for consideration; grades from all college courses are considered.
- Students must enroll directly from the associate degree-granting community college, with no intervening enrollment at another institution.

FRANCIS B. AND PAIGE D. L’HOMMEDIU SCHOLARSHIP $1,750 - $3,500 per year
Francis B. and Paige D. L’Hommedieu Scholarship awards are based upon available funds. Scholarship recipients are notified in July (for fall enrollment). Criteria for consideration are specific so please review them carefully:
- Students must enroll directly from the associate degree-granting New Jersey community college, with no intervening enrollment at another institution.
- Students must have earned an associate’s degree in arts or science by June 1 and have a minimum cumulative grade-point average of 3.8 for consideration; grades from all college courses are considered.
